### SOURCE OF ACTIVITY:

On Thursday, April 3<sup>rd</sup>, 2014, my partners (Officer Ramirez #139 and Officer Anderson #127) and I (Officer Trujillo #136) were working as contracted, uniformed security officers for the Hollywood Business Improvement District (H.B.I.D.) / Andrews International 6801 Hollywood Boulevard Hollywood, CA. 90028 (323) 465-0122. We were assigned to the bicycle patrol team as Boy-2.

### INVESTIGATION:

As we were conducting, business checks at 7095 Hollywood Boulevard (La Brea Plaza). I observed a Male, Hispanic, Adult (later identified by his valid California Driver's License as S/ Cornejo, Erick Augusto - DOB: 09/14/1979) seated on the raised planter in front of 7080 Hollywood Boulevard (Hollywood Entertainment Building) holding a black plastic bag containing a silver aluminum can with his right hand. Based on my training and experience, it is common for people to conceal their alcoholic beverage with paper and or plastic bags to avoid being detected of their illegal drinking by law enforcement and or authorities.

I began to observe Cornejo's activity from a distance of 50 yards. Cornejo then turned his head from left and right, to avoid being detected by the authorities. Cornejo then picked up the aluminum container and placed it to his lips/ and mouth area. Cornejo then tilted his head and took a long drink from it.

My partner(s) and I decided to make contact with Cornejo to verify if the aluminum can was indeed an alcoholic beverage. As we approached Cornejo, I was able to smell a strong odor of an alcoholic beverage emitting from his breath, person, and aluminum can. I then recovered the aluminum can from Cornejo and saw it was a "211- Steel Reserve" Brand Malt Liquor that was  $\frac{3}{4}$  full
